

**STATEMENT OF CANDIDATE FOR
PROPOSED LOOMIS UNION ELEMENTARY SCHOOL DISTRICT
TRUSTEE AREA 2**

Nancy Adkins

Age: 49

Occupation: Loomis Union School District Trustee Area 2

Education and Qualifications: I have been connected to the community for over 28 years, during which I have been involved on a school and town level. I was a preschool teacher, director and daycare provider for over 10 years. I have continued to be a child advocate.

During my four year term as a School Board Trustee I was involved in the continued improvements to our school sites; adoption of curriculum, safety policies, goals and procedures. I have and will continue to help make decisions to keep our School District fiscally secure. I will support the transition from the Loomis Union District to the Loomis Penryn School District.

With my education and experience I am ready for the challenges our School District will encounter. I take pride in our community and I'm willing to help keep our schools on the cutting edge of education.
